Citizens Not Serfs has produced video interviews of the 2010 Monroe County Commission Candidates to inform Monroe County residents about some of the issues most vital to our organization and its members. As a 501(c)3 public charity, Citizens Not Serfs is prohibited from any activity which can be construed as endorsing or encouraging our members or the general public to vote for or against any particular political candidate. With these rules in mind, we have made every effort to present these videos in the most unbiased manner possible. Please see attached “Citizens Not Serfs 2010 Candidate Video Interviews ” to view each of the candidate’s interviews in their entirety and also to watch links that have broken down each candidate’s answer to each individual question in order for viewers to be able to easily compare and contrast the answers of all the candidates to the issues that are most significant to that viewer.
